

REMARKS

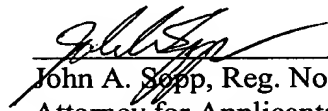

As noted above, the Amendment filed September 5, 2002, should be entered in addition to this Amendment. Applicants refer to their remarks made in the now-entered September 5, 2002, Amendment.

The additional claims added by this Amendment recite the language of previous claims 22 and 23, as presented in the Amendment filed February 4, 2002. Thus, the language is identical to the claims which were indicated in the Final Office Action of May 8, 2002, to be allowable. In response to the remarks made on those claims in the Final Office Action, applicant accept, for these claims, the definition of the term "interference pigment" as recited by the Examiner in that Office Action.

Favorable action on the application is earnestly solicited. The Examiner is kindly invited to contact the undersigned to discuss any unresolved matters.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
